Subject: Testimonial for Newfresh Aroma Diffuser

Hi there,

I would like to give you a testimonial for Newfresh Aroma Diffuser.

I've been searching for a good product for Aroma Diffuser.. when I was window shopping at Bugis Junction yesterday.. I found this "egg like" Aroma Diffuser..

It was a very good product. Now, my bedroom smells good,and it was a shock to me that the smell last very long.. :)

I'm happy buying it. Will recommend my family/friends to buy. No more water or burning for aromatherapy in my bedroom.

Hope one day you will come out Aroma Diffuser for Hall Area at home... :)

Anyway don't mind if I ask.. for the Newfresh Aroma Diffuser,, when using the battery.. how many hours can it last?

Best Regards,
Hani
