I have used your product for 4 months now in my car, 5 years old bmw 320. I would say it is effective to remove the aircon odor problem this car inherently had, especially during initial after turning on the aircon. Good product.

Dear Sir/Madam,

I am Lim YC. From NewForm – newfresh owner.
Thanks of login to www.newfresh.com.sg

Newfresh product is the world first air purifier with revolving airflow cleaning innovation.
Revolving airflow enhances air penetration into activated carbon and thus achieving an effective air cleaning process.

Newfresh product has two models:
Vase NV100 – use for home and office
Coral NC100 – use for DC12V car
