

Dear YC Lim san,

Thanks for the opportunity to trial your NewFresh products: Vase and Coral.

I must say that I am very impressed by the appearance of both products. They look really great and they are so pleasant to look at.

I used "Coral" in my vehicle Honda Odyssey. It caught me by surprised in its effectiveness in removing unpleasant smell. I have a friend who likes to smoke cigarette inside his car and I lent the Coral to him. He was so happy that the cigarette smell could be removed in about 15 minutes, and his wife did not complain about the cigarette smell.

I tried "Vase" while doing my usual cooking in the kitchen. I find it very effective in removing cooking smoke and smell. I also discovered that my kitchen was not so oily after my cooking.

Yours sincerely,
